WHAT WE DO

The Moore Real Estate and Construction sector provides clients access and insights on industry experience, technical skills, and regulatory background necessary to help your business on a global scale. Moore Kingston Smith lead the Real Estate and Construction group in Europe and contribute regularly to the global steering committee.

Managing audits and dealing with multi-jurisdictional tax matters of multi-national operations is the core of our business. The scope of our global client management extends, therefore, beyond the delivery of compliance services to advising on international business structures and tax planning to minimise tax liabilities.
