Who are we?

At Moore Kingston Smith, we create lasting success for our clients, people, and communities.

Our clients and people have influenced our story and shaped us into the leading multi-disciplinary professional advisory firm we are today. Listening to the needs, ambitions, and challenges of our clients, we develop innovative, bespoke solutions to help them thrive in an ever-changing world.

Understanding the individual needs of our clients is only possible through strong relationships built on trust – and that's where our people come in. We're proud to have built a genuinely integrated team of experts, working together across multiple disciplines to deliver quality results.

Our people are the key to our sustainable success, and we are committed to developing outstanding leaders who collaborate to deliver on our promises.

With global reach, we help our clients to achieve lasting success at local, national, and international levels, through the Moore Global network. We are the London firm of top 15 accounting and advisory network, Moore UK.

Our India group

Moore Kingston Smith's close relationship with India started over three decades ago when we began advising one of India's leading commercial enterprises doing business in the UK. Building on that success, our India group today advises and assists many Indian businesses on their international operations.

Our service encompasses delivering compliance services and advising on international business structures, taxation issues and corporate finance matters. Our Indian clients find us to be a responsible, professional adviser, working closely with them to add value and help them achieve their business objectives in the UK. More importantly, we truly understand both India and the UK, and we endeavour to achieve the best position for our clients when operating along the Indo-UK business corridor.

Moore Kingston Smith's India group is a one-stop shop for Indian individuals and businesses operating within the UK, offering professional advisory services in the following areas:

Indian investors in the UK

- business structuring;
- accounting and audit;
- tax advisory and compliance;
- payroll management;
- people advisory;
- company secretarial.

Corporate finance

- M&A and joint ventures;
- financial due diligence;
- market listings;
- raising finance.

Non-resident Indian services

- inheritance tax advisory;
- investment facilitation into India.

Meet the team

Over the past twenty years, Ian has been advising owner-managed businesses across many sectors, using his broad tax experience to help clients achieve their personal and professional aspirations. As a lead partner of our India group, Ian focuses predominantly on SMEs and their owners; he has experience of working with clients in the property, technology and entrepreneurial business sectors. Ian strongly believes that, for an adviser to be able to provide the best service, they must truly buy into their clients' business – proactively looking to help them develop.
